Empowering You to Achieve

We offer residential and commercial construction services with key emphasis on competitive construction costs, customer inputs & satisfaction, maximizing efficiency and excellence in service delivery.

“ We assist you from *start to finish*, with all aspects of construction and renovation. ”

About Vakeel Construction LTD

Vakeel Limited (Vakeel Construction Limited) is a limited liability company incorporated under the Companies Act Cap 486 Laws of Kenya.

Vakeel Construction Limited is registered with the National Construction Authority category 7. Registration No. 30184/B/0317

The company specializes in the provision of residential and commercial construction services which include general building & construction, Architectural Designs, & Building Plans, Construction Feasibility Studies, Project Managementservices among others.

We assist you from start to finish, with all aspects of construction and renovation.

As your general building contractor, we won't compromise when it comes to quality or safety.

We've worked in 10 Counties across Kenya, and are ready to deliver wherever the job takes us, including islands - testament to the successful completion of building 2 new radiology units in Lamu and Faza islands on the Kenyan coast line.

Cont

We protect our reputation for excellent customer service while providing the highest quality with competitive pricing.

We make this possible through our highly skilled construction workers and maintaining open dialogue with our past, current and potential clients.

One of our Directors is involved with each project on a fulltime basis.

Projects are consistently completed in a timely fashion because of our structured organizational and time management skills.

Vakeel's commitment to quality and warranty support have led to long-term relationships and repeat business from clients across the country in the last 4 years.

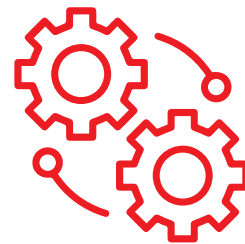

Our Core Values

Our construction team is made up of more than 35 dedicated professionals who bring the latest advances in construction to every project.

Teamwork

We cooperate with each other, maximize on individual skills and talents, and provide constructive feedback.

Integrity and Professionalism

We strive to comply with legal and professional requirements.

Customer Excellence

We offer valuable and differentiated customer experience by listening and acting upon the customer's specific needs and preferences.

Timely

We strive to deliver our services with a sense of urgency and timeliness.

Vision & Mission Statement

Vision

Our Vision is to create and maintain an organization of skilled construction professionals that serve our Clients' needs with Simplicity, Courage and Integrity.

To provide an environment that promotes personal growth and self-pride for employees.

Ultimately, to differentiate ourselves as the builder of choice to those seeking quality, personal service, and value for money.

Mission

Vakeel Construction Ltd is a leader in providing value-added construction services to our customers by creating a successful partnership with them throughout the construction process.

Our pledge is to establish lasting relationships with our customers by exceeding their expectations and gaining their trust through exceptional performance by every member of the construction team.

The Leadership Team

The principal leadership at Vakeel Construction has over 15 Years combined years of experience in general building contracting.

Their vast experience and knowledge of the industry has led Vakeel to its current level of success in a short period of time.

We integrate with the building team, owners, architects and other concerned parties.
